Home Hardware Stores are independent retailers. As members of Home Hardware - the largest independent hardware buying group in the UK, Home Hardware Stores offer you the very best deals on the highest quality brand names.

E&O.E. Prices will be held until Saturday 22nd October 2022 subject to availability. All prices include VAT. Prices, specifications and photographs are correct at time of going to print, but may be subject to variation/change. Although every care has been taken to ensure accuracy, we cannot accept liability in the event of any errors. All dimensions are approximate. RRP - Recommended Retail Price. The special prices are due to the vast quantities we purchase centrally on behalf of our 400 retail stores. We are working hard to get products shown in this publication into our stores. Like many other retailers we unfortunately can't confirm availability of all products and we are sorry for any inconvenience this may cause. Most items are available in most stores. Please check with your local store before travelling. Products featured within this brochure represent a part of our extensive in store range. Accessories (including food and drink) shown in the photographs are not included. Gas not included in firepit tables, firepits or barbecues. Prices may only apply to UK mainland only. Knives and similar items will not be sold to under 18's or those appearing to be under 18. Proof of identity may be requested.

Our approach to pricing is very straightforward. Across every one of our promotions we check other retailers to confirm that our prices are competitive. This allows us to make you the following price guarantee - if you buy a product from our brochures and find it cheaper locally within 14 days, we'll refund the difference.
